

Third Grade News

Week of January 9, 2018

I hope you all enjoyed your four day weekend! While I'm not sure they were warranted, I can't complain about the bonus days at home! We are getting back in the routine of my classroom after my extended leave which may cause a few bumps in the road but should hopefully smooth out quickly.

Midterm reports will be sent home this Friday. This will need to be signed and returned to school by next Friday, January 19. Your child's grades may always be accessed online through the RenWeb website.

RELIGION: We are still focusing on prayer as communication with God.

MATH: We are finishing up multiplication and division in chapter 6, although we will continue these concepts for a while. There will be a test this Friday.

SCIENCE: We are starting chapter 6 this week. We will be learning about matter and its properties.

SOCIAL STUDIES: We will be looking at early Spanish communities this week, specifically those formed in Florida and California.

LANGUAGE ARTS: This week we will practice combining sentences with verbs as well as working on our subject verb agreement skills.

SPELLING (NO PRETEST THIS WEEK): foil, coins, noise, point, enjoy, joyful, down, owl, crowd, plow, round, couch, proud, bounce, loudly

MEMORY: If we say we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. 1 John 1:8-9
