Sowing Peace!

January 15, 2018

Greetings:

We have had a bit of trouble trying to get the New Year started in school. Our three days, last week, did help point us in the right direction. So, here is my attempt to outline this upcoming week.

5/6

- Social Studies will probably have a chapter test on Thursday. Wednesday would be best but, often Chapel runs late.
- Both math groups should be able to wait until early next week for a chapter four test.

7/8

- History class should have a test on Thursday on the section ending on page 609. We are still on the Progressive Era.
- Seventh grade math should have a test on Thursday. Eighth grade math will have a chapter test early next week.

Hopefully, we will have school on Tuesday and the midterm reports should go home. Please sign one copy and return it as soon as possible. Only one copy has a signature line.

As usual, do not hesitate to email me with any question or comment you may have about your child in one of my classes. Remember, everyone is always invited to attend Chapel with us every Wednesday.

In HIS Service,

James Williams
